

**\*\*TUITION FOR CLASSES\*\***  
2011-2012

Each student will receive a tuition envelope, which may be dropped in the tuition box found at the studios.

There are three options for payment of your year's tuition.

1. Monthly payments may be made one month in advance. Example: Sept. is due with registration. Oct. is due 1<sup>st</sup> of Sept., Nov. is due 1<sup>st</sup> of Oct., etc.
2. A three-month payment, which is paid in advance and the tuition envelope, is returned to you for the next three months.
3. You may pay the full year's tuition and receive the month of June at no cost. Calculate the amount due by multiplying your monthly tuition rate by 9. The full year must be paid by August 31<sup>st</sup> to receive June free. This does not include private classes. They are paid on a monthly basis.
